

Children in Migrant or Ethnic Minorities: Demographic and Social Processes in a Comparative Perspective – PROGRAM

Thursday, 16 May 2019

09:30 – 09:40 am

Conference opening

Nadja Milewski (University of Rostock) & **Eleonora Mussino** (Stockholm University)

09:40 – 11:00 am

Session I: Fertility and integration

Chair: Elisabeth K. Kraus (Federal Institute for Population Research Wiesbaden)

The landscape of migrant fertility trajectories: The case of Sweden.

Gunnar Andersson & **Hernan Mondani** (Stockholm University)

The birth dynamics of first-generation migrants in Germany: A comparison of Turkish and ethnic German migrants.

Sandra Krapf (MZES Mannheim) & **Michaela Kreyenfeld** (Hertie School of Governance Berlin)

Measuring immigrants' fertility.

Marianne Tønnessen (Statistics Norway Oslo)

First generation births in Australia since 1981: Patterns, evolution and spatial heterogeneity.

Bernard Baffour, **Ann Evans**, **Edith Gray** & **James Raymer** (Australian National University)

11:00 – 11:30 am *Coffee break*

11:30 am – 12:50 pm

Session II: Fertility intentions and behavior

Chair: Michaela Kreyenfeld (Hertie School of Governance Berlin)

Short-term fertility intentions of migrants and natives in Italy.

Giuseppe Gabrielli (University of Naples Federico II), **Eleonora Mussino** (Stockholm University), **Livia Ortensi** (University of Milan Bocconi) & **Salvatore Strozza** (University of Naples Federico II)

The realization of short-term fertility intentions among immigrants and children of immigrants in Norway and Sweden.

Erik Carlsson (Stockholm University)

Fertility behaviour of migrants and non-migrants from a couples perspective: The case of Senegalese migration to Europe.

Elisabeth K. Kraus (Federal Institute for Population Research Wiesbaden) & **Amparo González-Ferrer** (Spanish National Research Council Madrid)

(Why) should we care about men in research on migrant fertility? Comparing emigrants abroad to stayers in Turkey

Nadja Milewski (University of Rostock) & **Helen Baykara-Krumme** (University of Duisburg-Essen)

12:50 – 02:00 pm **Lunch break**

02:00 – 03:40 pm

Session III: Socio-economic outcomes and fertility

Chair: Gunnar Andersson (Stockholm University)

Natives and migrants' childbearing during the great recession: a comparison between Italy and Sweden.

Giammarco Alderotti (University of Rome) & **Chiara L. Comolli** (Stockholm University)

The motherhood-employment link for native and migrant origin women.

Julie Maes, Jonas Wood & Karel Neels (University of Antwerp)

The intersection between educational attainment and fertility among Mexican-origin youth in the United States. A comparison of different ethnic groups.

Gabriela Sánchez-Soto & Joachim Singelmann (The University of Texas at San Antonio)

Life course patterns of female migrants in Germany: The interplay of employment and fertility trajectories around arrival.

Cristina Samper (Hertie School of Governance Berlin)

The varying impact of early parenthood on the socio-economic outcomes of childhood refugees.

Ben Wilson (Stockholm University & London School of Economics), **Alice Goisis** (London School of Economics & Max Plank Institute for Demographic Research Rostock) & **Siddartha Aradhya** (Stockholm University)

03:40 – 04:10 pm **Coffee break**

04:10 – 05:50 pm

Session IV: Family dynamics

Chair: Christoph Bühler (Leibniz University Hannover)

Family formation in an intergenerational comparison. The relevance of social inequalities for family formation in a transnational migration context.

Eveline Ammann Dula (Bern University of applied sciences)

Do cohorts matter? Timing of union formation and partner choice among the Turkish and Moroccan second generation in the Netherlands.

Gusta Wachter & Helga de Valk (Netherlands Interdisciplinary Demographic Institute The Hague & University of Groningen)

Immigrant families and household instability.

Maria Carolina Aragao & Inbar Weiss (University of Texas at Austin)

Remarriage and number of children in a migration context. A comparison between women with Turkish origin and without migration background in Germany.

Robert Naderi (Federal Institute for Population Research Wiesbaden)

The impact of care migration on migrants' family structure and fertility: The case of Romania.

Luisa Salaris, Nicola Tedesco & Andrei Iacob (University of Cagliari)

05:50 – 06:10 pm

Award ceremony

Laudatio: Ilka Sommer (University of Duisburg-Essen)

Best Dissertation Award by the Section 'Migration and Ethnic Minorities' in the German Sociological Association

6.15 – 6.30 pm

Discussion about joint publication

6.30 – 7.00 pm

Meeting of the EAPS working group 'Migrant and Minority Fertility in Europe'

07:30 pm **Dinner (Carlo 615)**

Friday, 17 May 2019

09:00 am – 11:10 am

Session V: Children's outcomes

Chair: Christine Barwick (Centre Marc Bloch Berlin)

Is ethnic retention a result of deprived educational aspirations? Academic career and ethnic identity of migrant youth in England, Germany, the Netherlands and Sweden.

Bernhard Nauck (University of Chemnitz)

Political integration: Social inclusion and political interest among youth in Europe.

Oshrat Hochman (GESIS Leibniz Institute for the Social Sciences Mannheim) & **Gema Garcia Albacete** (Carlos III University of Madrid)

Health of immigrant children: The role of immigrant generation, exogamous family setting, and family material and social resources.

Silvia Loi (Max Planck Institute for Demographic Research Rostock), **Joonas Pitkänen, Heta Moustgaard** (University of Helsinki), **Mikko Myrskylä** (Max Planck Institute for Demographic Research Rostock & University of Helsinki) & **Pekka Martikainen** (University of Helsinki)

Short break

The role of family in school continuation of children of migrant families.

Chia Liu (Max Planck Institute for Demographic Research Rostock) & **Maëlle Salmon** (ISGLOBAL Barcelona)

Early childhood and growing-up from an intergenerational perspective: a comparison of second and third generation migrant children to minor refugees in Germany.

Susanne Lochner & **Alexandra Jähnert** (German Youth Institute Munich)

Gender role differences between Muslim immigrants and natives in Western Europe: Blocked acculturation?

Jasmin Schmitt (Ruhr-University Bochum)

11:10 – 11:40 am **Coffee break**

11:40 am – 01:00 pm

Session VI: Fertility of migrant descendants and ethnic groups

Chair: Mathias Bös (Leibniz University Hannover)

Capturing the cultural effect on fertility among ethnic groups in the UK.

Wanli Nie (Universitat Pompeu Fabra Barcelona) & **Marta Pasqualini** (University of Rome)

Fertility of urban-to-rural ethnic minority migrants in Russia: do first and second generations differ?

Konstantin Kazenin (Russian Academy for National Economy and Public Administration Moscow) & **Vladimir Kozlov** (National Research Institute – Higher School of Economics Moscow)

Structural and cultural integration and the transition to parenthood among descendants of migrants in urban China.

Mathias Lerch (Max Planck Institute for Demographic Research Rostock), **Cuiling Zhang** (China Population and Development Research Center Beijing) & **Rosita Fibbi** (Swiss Forum for Migration and Population Studies Neuchâtel)

Towards a more general framework for the analysis of migrant fertility.

Christoph Bühler (Leibniz University Hannover)

01:00 pm

Closing & Lunch

1.30 – 2.30 pm

Meeting of the steering committee of the DGS Section 'Migration and Ethnic Minorities'
