EDUCATION

Max Planck Institute for Demographic Research

2023 - present

Ph.D Student

Kinship Inequalities Research Group, Supervisor: Diego Alburez-Gutierrez

Cohort 2023 IMPRS-PHDS (International Max Planck Research School for Population, Health and Data Science)

European Doctoral School in Demography - Universitat Autònoma de Barcelona

2022 - 2023

Master in Demography

Thesis: Children's educational attainment and parental mortality in Chile

Supervisors: Cosmo Strozza and Elisenda Renteria

Sponsor: Centre on Population Dynamics (CPop) at University of Southern Denmark (SDU)

Federal University of Minas Gerais - CEDEPLAR

2020 - 2023

Master in Demography

Thesis: Educational expansion and health among adults in Brazil

Supervisors: Luciana Luz do Amaral and Cassio Turra

PROFESSIONAL ACADEMIC EXPERIENCE

Federal University of Minas Gerais

2021

Teaching Assistant - Graduate

Minas Gerais, BR

- Methods of Demographic Analysis I
Rates, Probabilities, Construction of Lex Diagram; Life table; Age-standardization, Decomposition
Professor: Cassio Turra
- Methods of Demographic Analysis II
Stable population; Indirect estimation methods on fertility, mortality and migration
Professor: Cassio Turra

Federal University of Minas Gerais

2019-2020

Volunter

Minas Gerais, BR

- Demographics of the Exception: Reproductive Intentions and Migration in a Context of Zika Virus and Social and Environmental Disasters
I was part of a team responsible for transcribing phone interviews for the research project.

SKILLS

Statistical Software	RStudio, Stata
Text editor	LaTeX
Languages:	Portuguese (native), English (advanced)

RELEVANT COURSES

Matrix Approaches to Modelling Kinship: Theory and Applications

2023

This course was held in person at Max Planck Institute of Demographic Research (MPDIR) between May 3 -12, 2023. The course introduced the matrix formulation of demographic analyses and focused on matrix kinship models that describe the development of the network of kin surrounding a focal individual.

Berkeley Workshop on Formal Demography

2022

The 2022 Berkeley Workshop in Formal Demography (BWFD) was held in person and virtually from June 6 -10, 2022. The theme of the 2022 BFDW workshop was COVID-19 and Formal Demography.
